

# Abdukarim (Walter)

## ABOUT ME

I'm 28, from Uzbekistan, live in South Korea. I am a passionate and detail-oriented MERN Stack Developer with a strong foundation in full stack web development, specializing in MongoDB, Express.js, React, and Node.js. When I'm not coding, I enjoy attending coding meetups, hackathons, and exploring innovative ways to enhance my creativity. My ultimate goal is to leave a positive impact through my work and contribute to the growth and success of the organizations I work with.
